CASE'd with permission from Francis Martin.

1. Use StazOn ink to stamp words down left side of Basic Gray CS panel.
2. Place Basic Gray CS panel in Honeycomb embossing folder and run through Big Shot.
3. Attach Basic Gray CS panel to card front with Stampin' Dimensionals.
4. Using StazOn ink, stamp lobster on the 4" x 2.5" Very Vanilla CS.
5. Before opening Cherry Cobbler inkpads, squeeze the center tightly to transfer ink to the inside surface of the lid. Use blender pen to pick up ink and color lobster.
6. Attach lobster to 4.25" x 2.75" Cherry Cobbler mat with Stampin' Dimensionals, then attach mat to card front with Stampin' Dimensionals.
7. Use 1 3/8" circle punch to punch out a piece of Cherry Cobbler CS. Attach to card front with Stampin' Dimensionals as shown.
8. Use Basic Gray marker to ink up Nantucket Inn stamp, exhale on stamp to re-moisten ink, stamp on scrap piece of Very Vanilla CS. Punch out with 1" circle punch and attach to Cherry Cobbler circle with Stampin' Dimensionals.
9. Use StazOn ink to stamp shell on Very Vanilla CS and adhere to inside of card with your choice of adhesive.
10. Stamp shell on the envelope.
